### Australian Organisation for Quality Inc. Restructure

AOQ Inc. has been restructured due to the withdrawal of Queensland from the National organisation. Queensland activities and members are now not recognised by AOQ Inc. National or any other AOQ State Member Association.

This restructure will accelerate the rapid rate of progress that has been made this year in building AOQ for the future as an effective and efficient united National body.

President-elect, Craig Ottaway, said "We now have the most progressive and co-operative AOQ National Council there has been for a number of years with a dynamic plan for the future."

Details of AOQ are available through its web site [www.aq.net.au](http://www.aq.net.au).
